

A woman with short hair is sitting on a red velvet sofa in a modern living room, reading a magazine titled "THE PLANT". The room features large windows with dark frames, a wooden coffee table with a small table lamp, and several armchairs. A large potted plant is visible on the left. The floor is made of light-colored wood, and a patterned rug is under the seating area. The text "working from Fulton Market" is overlaid in the center of the image.
